Junior Golf has begun with three different age groups and times. Please check out www.twinlakesgolfclub.com for schedules and lessons. Not only do the kids learn golf skills, they also are taught golf etiquette. This is evidenced by the many Juniors who come in the clubhouse after their lessons. We have some very nice Juniors!

Congratulations to Mary McHatton for making a Hole-in-One made on #11 on Flag Day, June 11. This was Mary's fourth Hole-in-One ever. Great job, Mary!

CLUBHOUSE WORK WON'T IMPACT GOLF ACTIVITIES

I hope this reaches you in good health and spirits. Summer is officially here; hopefully it will be a milder summer for a change. The weather this season has been very inconsistent; we have not had many good weekends to enjoy golf. I am sure we will have lots of nice golf weather to enjoy this summer. The golf course is in great shape. Please come out to enjoy it!

Make sure to check the golf calendar. There are a lot of fun events this month for everyone to enjoy. A few of the events this month are: Men's Member/Member, Ladies Steeplechase, Ladies Friends Day and Couples Guest Day. Also Junior Golf and Couples Golf continue this month. If you have not been able to come out on a Friday night for golf or dinner, please try to experience one. Chef Jeffrey always has a delicious meal, and there is always lots of fun being had by all.

The week after July 4th construction on replacing the roofs on all three buildings will start. We will do our best to keep this to as little of an inconvenience as possible, but it will be a little noisy around the clubhouse. After the roofs are completed the exterior of the clubhouse will be painted and the awning on the back veranda will be replaced. Neither of these projects will impact you from using the clubhouse or golf course. It will look great when everything is completed!

I would like to welcome all the new members and thank their sponsors. If you see a new face, please introduce yourself. It is our goal for everyone to experience a warm welcome to Twin Lakes. Since we have been fortunate to keep our membership stable and have a successful membership drive, this year we have a very minimal dues increase (less than 2%). It is Twin Lake's continued goal to provide its members with an excellent golf course and club operations at the best value in the area. I wish everyone a happy and safe 4th of July!

WHAT A DIFFERENCE A YEAR (IN WEATHER) MAKES!

As July starts, it is a good time to consider what a difference in weather we have experienced this golf season as opposed to last year. By this time last season our rough was completely dormant, and water supplies were strained. The cooler temperatures and increased moisture this year in combination with a sound agronomic program has resulted in great playing conditions.

Last month we were able to make good progress in a lot of cosmetic areas. Sod was laid along the cart paths at #1 tee and #9 green. We also sodded along cart paths at #12 and #18 greens. Significant areas of rough were also sodded on the fourth and 13th holes. Progress was also made in an ongoing project to level and raise irrigation heads along with existing valve boxes. This will improve our irrigation efficiency.

This month we plan to resume verticutting of greens when the weather will allow. Also in the plans are aerification of collars, tees and fairways. None of this would be possible without the help of a great crew. My assistant and equipment technician, Ron Summitt, is now in his second season, and Foreman Josh Blazier is in his tenth. These two people bring a lot of experience to the club.

Please remember to repair ballmarks, replace or fill divots, rake bunkers and be careful with golf car operation.

John Westermeier, CGCS

JULY LAWN TIP: Sharpen your mower blade. If it gets dry, irrigate 1-1/2—2 inches per week. Measure your irrigation water.

Golf Scores, Mary's Hole-in-One, Golf Etiquette Reminders and More Right Here!

GOLF SHOP HAPPENINGS

June was a very active month for golf at Twin Lakes. Our Men's 36-hole stroke play event was blessed with great weather for the first weekend of June. Frank Haig was victorious in the Championship Flight with a two day score of 152. Gary Alexander had a low round of 71 in the Men's quota event, with Ron Johns and Noel Ryan claiming the Steeplechase title. Full results are below.

Our Junior Golf Camp is off to a roaring start. The next generation of golfers at Twin Lakes is doing a great job learning the FUNdamentals of golf. A reminder that Junior Camp is on Wednesday mornings, more information is available online.

A FEW SIDE NOTES:

- If you choose to start on #10 tee, please check in with the golf shop beforehand.
- Remember to fix your ball marks and repair your divots.
- Ladies Clinics are on Tuesday evenings at 6pm, meet on the driving range.
- Mary McHatton had a HOLE-IN-ONE on #11. She used an 8 iron from 95 yards!
